

The background of the entire page is a light pink color with a repeating pattern of pink and teal ribbons. A dark brown rectangular box is centered in the upper half of the page, containing white text. The text is centered within the box and reads: "DFW Hereditary Breast and Ovarian Cancer Support Group", "In Association with", "FORCE: Facing Our Risk of Cancer Empowered", and "www.facingourrisk.org". Below the box, there is a paragraph of text describing the group's purpose and meeting details. At the bottom right, there is contact information for Linda Robinson, MS, CGC, including a phone number and the name of the medical center.

DFW Hereditary Breast and Ovarian Cancer Support Group

In Association with
FORCE: Facing Our Risk of Cancer
Empowered
www.facingourrisk.org

This group is designed for both patients and family members that have tested positive for Hereditary Breast and Ovarian Cancer. The group meets quarterly in the evenings either in the Gilda's Club in Dallas or Moncrief Cancer Resources in Fort Worth. There will be educational presentations and free time for meeting and networking.

August 15, 2007

6:30-8:00 Gilda's Club Dallas

Dr. Karen Nishida will be discussing
Hormones and the BRCA Patient
